* Item 2
    * item 3a
    * item 3b
```

or

```
- Item 1
- Item 2
```

or

```
+ Item 1
+ Item 2
```

or

```
- [ ] Checkbox off
- [x] Checkbox on
```

Ordered List

```
1. Item 1
2. Item 2
    a. item 3a
    b. item 3b
```

Links

```
[link](http://google.com)

[link][google]
[google]: http://google.com

<http://google.com>
```

Emphasis

```
*italic*
_italic_

**bold**
__bold__

`inline code`
~~struck out~~
```

Horizontal line

Hyphens

```
---
```

Asterisks

```
***
```

Underscores

```
---
```

Code

```
```javascript
console.log("This is a block code")
```

~~~css
.button { border: none; }
~~~

    4 space indent makes a code block
```

inline code

```
`Inline code` has back-ticks around it
```

Tables

```
| Left column | Center column | Right column |
|:------------|:-------------:|-------------:|
| Cell 1      |    Centered   |        $1600 |
| Cell 2      |     Cell 3    |          $12 |
```

Simple style

```
Left column | Center column | Right column
:-----------|:-------------:|------------:
   Cell 1   |    Centered   |       $1600
   Cell 2   |     Cell 3    |         $12
```

A markdown table generator: tableconvert.com

Images

```
![GitHub Logo](/images/logo.png)

```

Image with link

```
[![GitHub Logo](/images/logo.png)](https://github.com/)

[](link_url)
```

Reference style

```
![alt text][logo]

[logo]: /images/logo.png "Logo Title"
```
